

Clesana X1 / X1 ProCharge - Information Sheet

1. General

- Two models: Clesana X1 and Clesana X1 ProCharge
- Market launch in 2025; Europe-wide availability from January/February 2026

2. Material and Construction

- Made from reinforced polypropylene (PP) – shatterproof and flexible for mobile use
- Lower housing reinforced with fiberglass for increased stability and load capacity
- Surface with coarse texture: resistant to dirt, scratches and wear
- Splash-proof according to IPX4, CE and E1 certified

3. Size and Comfort

- Compact dimensions: approx. 38 x 34 x 30 cm
- Smaller than a Porta Potti in storage position
- Seat height in use: approx. 41 cm (DIN standard for home-like comfort)
- Telescopic mechanism: extends in < 1 second, completely without effort
- Optional: use of the liquid insert, as with the Clesana C1

4. Mobility

- Weight: approx. 11 kg
- Transport options via recessed side grips
- Balanced front handle allows one-handed carrying

5. Connections and Power Consumption

- Exceptionally wide range of applications thanks to multifunctional power supply:
 - o 12–24 V: operation in cars, vans, or trucks
 - o 110–240 V: operation via mains power (basement, garage, allotment garden, etc.)
 - o 18 V: battery operation
- Fully autonomous operation using the Einhell battery system
- Clesana X1 is part of the Einhell Power X-Change family
- The Clesana X1 ProCharge variant features an integrated Einhell charger; automatic charging when connected to external power

6. Operation

- Integrated, waterproof matrix LED membrane keypad
- Intuitive bag selection in three sizes (S, M, L)
- Secure double sealing according to medical hygiene standards
- Countdown display for full control of the process

7. Safety

- Comprehensive safety features for safe operation
- Child safety lock: sealing process only possible when lid and drawer are closed
- Safety lock integrated into the telescopic mechanism

8. Costs

- Clesana X1: 1,095 €/CHF MSRP
- Clesana X1 ProCharge: 1,195 €/CHF MSRP
- Minimal operating costs: 120 bags per liner pack (€0.20 per bag)
